

Induction Ceremony
for the
William A. Dwyer
Chapter of the
National Honor Society
at
Blue Hills

December 17, 1987

8:00 p.m.

Induction Ceremony for the evening of December 17,1987

Presentation of the candidates and second year members for the William A. Dwyer Chapter of the National Honor Society at Blue Hills.....*Wilfrid Savoie, Superintendent-Director.*

INSTALLATION OF CHAPTER OFFICERS

President.....Susan Vachon
Vice-President.....Robert Land
Secretary.....Michelle Buccella
Treasurer.....Eric Borgman

THE CANDLELIGHTING SERVICE....From the flame of Knowledge and Truth the Chapter Officers will draw light. Four candles will be lit, each a burning symbol for what sparks the aspirations of a National Honor Society member.

Leadership.....Robert Land
Scholarship.....Michelle Buccella
Character.....Susan Vachon
Service.....Eric Borgman

The NHS Pledge.....Students to be inducted into the National Honor Society will stand to make a formal commitment to the goals of this society. Second year members will also rise to join them as they express their rededication to the values which animate a society member.

Official Reception of the NHS Insignia....Inductees will be called forward to receive certificate and pin, the tokens of full-fledged membership in the National Honor Society. Second year members will then be presented with insignia to mark their achieved status.

Acknowledgement of thanks and invitation to reception following.....Virginia Parker
NHS Adviser

On behalf of the Blue Hills community, we wish to extend warm congratulations to the following students:

Thomas Maguire, *Structural Wood*

This program is dedicated to the memory of the late William A. Dwyer, the founding spirit of Blue Hills and its first Superintendent-Director.

Acknowledgement

By the nature of its identity as a vocational high school, Blue Hills affords its many students rare opportunities for rendering service to others. Such services are as diverse as providing enjoyable and affordable luncheons and baked goods to senior citizens or offering nursery school care to little ones. While some students actually build and wire houses, others design the artwork to enhance their interiors. In this case, a thank you is in order to the Graphic Arts Department for their superlative work in printing the invitations and programs for this evening's ceremony. The "culinarily-delightful" Culinary Arts Department provided the delicious pastries, and Mr. Louis Caiani of the Electrical Department gave us the enjoyable music.
